

## Belgian Presidency of the Council of the EU

## "A presidency that cares about cities"

The Belgian Presidency wants to be "a presidency that cares about cities".

To achieve this objective, the three Belgian regions have developed a full programme of events dedicated to **European mayors** with the aim to:

- **Give mayors the possibility to express** their messages and priorities towards the European institutions
- **Put cities and their challenges at the heart** of the European political agenda for the next 5 years
- **Increase the involvement of cities and mayors** in the EU decision-making process and EU policies and programmes.

## Six events dedicated to Mayors

High-level eve	ent with Mayors: A European urban policy fit for the future		
23/01/2024 and 24/01/2024 Egmont Palace Brussels	The Brussels-Capital Region holds the Presidency on EU urban policy on behalf of Belgium. This event brings together the mayors of capital cities and large cities in Europe, representatives of European institutions, associations of European cities and metropolises as well as other important European urban stakeholders. A Brussels Declaration of Mayors to the European Institutions will be presented and signed during the event. This overarching declaration aims to provide bold political messages and recommendations for a strong European urban policy during the next mandate of the European Parliament and the European Commission.
